THE INAUGURAL PAN PACIFIC

Pressure Ulcer Forum

AND

Venous Leg Ulcer Forum

15–17 OCTOBER 2011

RYDGES LAKESIDE • CANBERRA

Two key educational events in one location at one time

For the first time ever, the Pan Pacific Pressure Ulcer Forum and Venous Leg Ulcer Forum will bring together administrators, policy-makers and clinicians from Australia, New Zealand and our Pan Pacific neighbours.

This important event will see the launch of the 2nd edition of Clinical Practice Guidelines for the Prediction and Prevention of Pressure Ulcers and the first edition of the Australia and New Zealand Clinical Practice Guidelines for the Prevention and Management of Venous Leg Ulcers. The program will also feature expert wound clinicians from Australia and overseas.

A trade show will open at the Welcome Reception on Saturday evening and will be open over the following two days to give delegates access to the latest products on the market.
