

NURSING PRAXIS IN NEW ZEALAND  
P.O. BOX 1984  
PALMERSTON NORTH

1 August 1991

Dear Colleague

Thankyou for your registration to take part in the national meeting to discuss the need for a New Zealand College of Nursing. So far there are 102 registrations from nurses in all areas of nursing. We hope to have a lively discussion with some action outcomes at the end of the weekend.

Enclosed is an agenda. In the small group discussion you will be asked to consider one (or more) of the following questions :

**If we had a New Zealand College of Nursing**

what would its purpose(s) be?

what would its structure be?

who would it be for?

how would it be funded?

what would its relationship be to NZNA, PSA, NZCMN  
NZNU and to other organisations?

*What have we got  
What do we need?*

Two hours (and the lunch break) has been set aside to consider these issues which will be reported back to the whole group during the plenary session. Please bring with you as much information as you can, be prepared to share your ideas and to make action decisions based on the outcomes from the plenary.

Lunch on Saturday has now been arranged at a cost of \$8 per person. If you would like lunch please pay 9 am Saturday at the registration desk.

We look forward to seeing you there.
