Technology
Allows sharing via URL
Easy verification of evidence
What was the outcome?

NP students…response…

Student response
Agog at how brilliant the site is

Student response
Extremely grateful that it’s been set up for them

Student response
Easy and transparent
Has de-mystified the portfolio requirements

What next?
Connects students to the College of Nurses Aotearoa and NPNZ as their professional body
Where do we go from here?

What's next?

For NP students

NP applicant collection to reflect recent Nursing Council changes (i.e. the 6 domains)

For the College membership

To have the NP student collection publicly available

For the College

Keep up to date and make the collections reflect what Registered nurses and nurse practitioners need in an easy to maintain portfolio
