In 2020 introducing the:

Master of Advanced Nursing Practice

New discreet eight paper pathway replaces
MHealSc – Clinical Nursing

CHRISTCHURCH

MAdvNP

PGDiploma 120 points

**Health Assessment &
Advanced Nursing Practice**

Applied Pharmacology

Pathophysiology & LTCs

Speciality practice paper

Final 120 points

**Evidence Based Nursing
Practice**

Clinical Research Project

**Therapeutics: Knowledge and
Integration (First Practicum)**

**Nurse Practitioner Prescribing
Practicum (Final practicum)**

Candidate RN on NP pathway

PGDiploma HealSc:

- Pathophysiology & LTC
- Health Assessment & Adv. Nurs. Prac.
- Applied Pharmacology

A specialty 30 point paper

Entry via RN Prescribing pathway

PG Diploma HealSc:

- Pathophysiology & LTC
- Health Assessment & Adv. Nurs. Prac.
- Applied Pharmacology

B required across 1st three papers to progress:

Therapeutics for Advanced Nursing Prac
(RN prescribing Practicum)

PG Dip HealSc awarded

V

Evidence-based Nursing Practice

Clinical Research Project Level 9

Therapeutics: Knowledge and Integration
(First Practicum)

Nurse Practitioner Prescribing Practicum
Level 9

Master of Advanced Nursing Practice

PG Dip HealSc- RN Prescribing awarded

V

Evidence-based Nursing Practice

A specialty 30 point paper

Clinical Research Project Level 9

Nurse Practitioner Prescribing Practicum
Level 9

Master of Advanced Nursing Practice

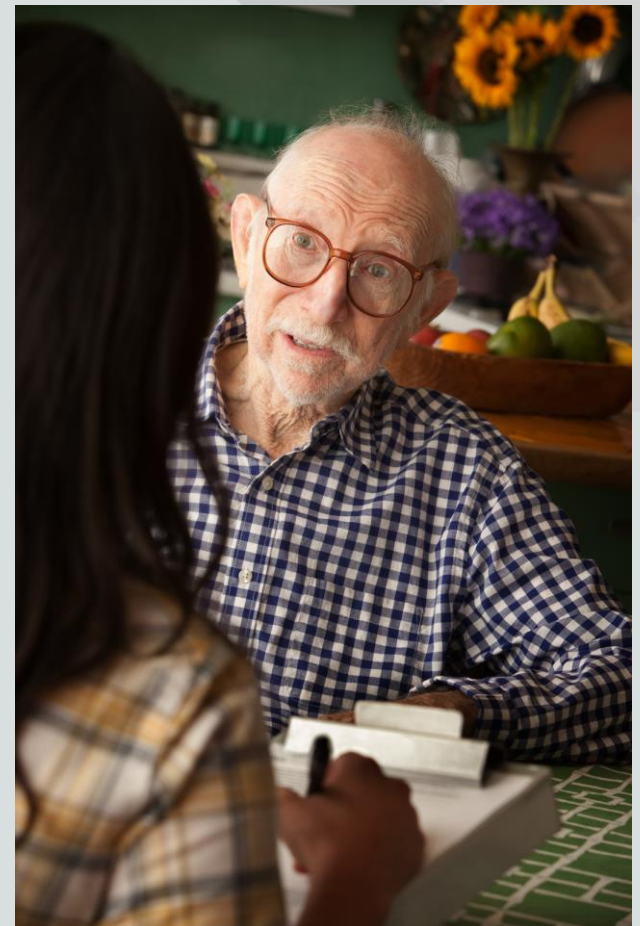

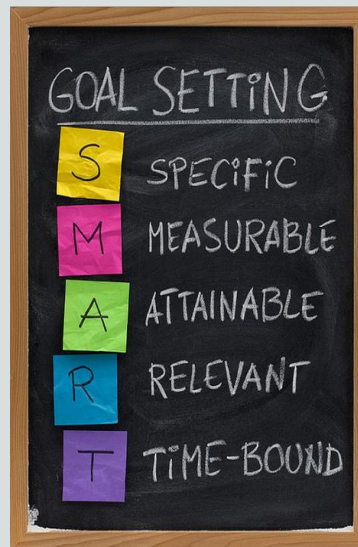

Our Profile

- We have provided NP education since 2005
- We employ nurse practitioners as lecturers to teach our courses and advise on our curriculum
- We employ practicing NPs who contribute to teaching, as academic mentors, assessors, demonstrators & examiners
- Our alumni & other NPs are loyal prescribing mentors and contribute year on year
- We have 49% of our graduates practicing NPs (includes graduates with a top-up studied @ Otago)

Program lecturers research in:

COPD & Cardiology, Older Persons' Health, Pain, Diabetes, Simulation, RN Prescribing, Mental Health, LTC.
