

*A personal reflection of the Nurse Practitioner
Training Programme (NPTP)*

Gabrielle Driscoll

Palliative Care CNS CCDHB

Nurse Practitioner Mary Potter Hospice

2018 ...

- Flew by!
- No sense of the year ahead
- 'In it together'
- Highs and lows
- Imposter syndrome
- Scary
- Humbling
- Stimulating
- Rigorous

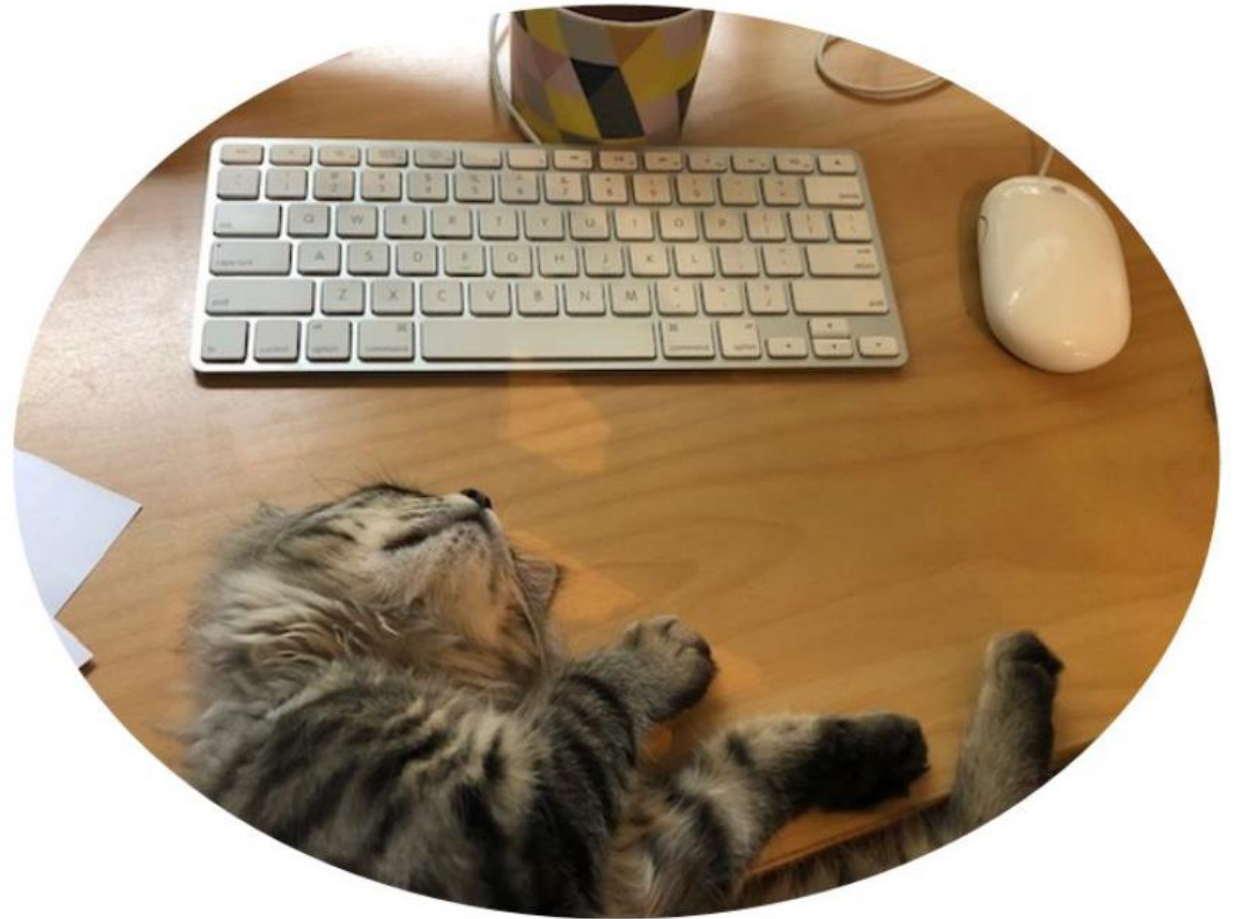

Preparedness (& Distractions)

Portfolio development

- Professional statement
- Clinical diary
- Clinical case studies

Preparation for panel interview

- OSCE
- Verbal case presentation
- Clinical assessment
- Mock panel
- Supervised clinical practice and peer review

Reflections ...
