

 Goodfellow Gems are chosen by Goodfellow Director, Bruce Arroll to be either practice changing or thought provoking. You are being mailed these as you are a member of the Goodfellow learning community.

Great COVID-19 short daily podcasts

The Australian Broadcasting Corporation has developed a podcast series,¹ each about 10 minutes in length with interesting angles on the COVID-19 virus, such as “Think coronavirus only kills the old? Think again”.

Likewise, Radio New Zealand hosts a daily coronavirus podcast.²

These will sustain your interest in the topic even when COVID-19 fatigue kicks in.
