College of Nurses Aotearoa (NZ) Welcomes Announcement from Minister Little re Pay Parity

The College of Nurses welcomes today's announcement from Minister Little that the Government is committed to addressing pay inequities for nurses working in Aged Care, Hospice, Māori and Pacific health providers. Pay parity for these nurses recognises their knowledge and skills. These nurses are working with some of the most vulnerable people of Aotearoa. Pay parity across the sector will make a significant difference for the nurses and the people that they care for.
