

www.nurse.org.nz

The College website is the hub around disseminating information to College members, Nurse Practitioners, Registered Nurses and many other health professionals.

The website features a latest news blog style update with links emailed to all members each day. This information may include professional updates from MoH, Nursing Council, Job Vacancies, Links to news stories, Events and Workshops etc. Visitors to the website will see the latest posts on the front page of the website and can search the College website's many resources available.

Limited spaces are available and the College of Nurses reserves the right to refuse placement of any listings at the discretion of the Executive Director.
